Living Legend

Define - a person who is famous while still living for doing something extremely well

To qualify to be a living legend the Picard must be at least 7 years old. We want to pay tribute to those dogs who have made the foundation of the breed.

Ally - GCHB Lambda Let's Stay Together, CH, FDC CAX TT CGC TKI
Owners: Shari Fischer

Ally is a 7 ½ year old sweet and silly girl who is EXTREMELY intelligent and very opinionated. She's my first Picard and has contributed WAY more than I ever imagined she would when I first got her! She has had my heart from the day that I met her and my love for her grows each day. She is a constant source of joy and love and has helped to contribute 2 beautiful boys with wonderful temperaments to the world.

Aria - GCHB CH Izanne Aria De La Vie En Rose
Owner: Judith Hoover-Thompson, Philip Thompson

Aria, sweet and sassy. The foundation bitch for Xanadu's K9, Home of Aria's Berger Picard. My teacher, protector and buddy. Mama and grandmama dog, babysitter of puppies. Aria made Berger Picard history as the first Berger Picard to step foot (paw) on the Westminster Kennel Club carpet/show ring. Aria is the queen of my house and of my heart.

Fern - GCH CH Double D's Fields of Fern CM BN RE CAX2 BCAT ACT1 SCN
TT RATO CJA DNX2 CGC TKN
Owner: Jennifer Cannon

What do you say about a dog who has been your everything? Fern was my introduction to doing all the things. She is the foundation of my breeding program and the dog who has always been willing to try anything and everything. To the best of my knowledge, she has more titles in more different events than any other Picard (though I haven't verified this with AKC). Conformation, Obedience, Rally, Coursing Ability, Fast Cat, Agility, Scent work, Temperament Test (ATTS), Barn Hunt, Dock Diving, Canine Good Citizen, and Tricks; while not an actual title, she also passed her AKC herding instinct certification. She was Best Veteran in Sweepstakes at the makeup 2020 National, at just shy of 11 years old. She is mother to 12, grandmother to 22 and still actively competing in AKC sports, despite two separate cancer diagnoses. She really is, in mind a Living Legend and an amazing example of what a solid, versatile Picard should be.

Gaia - Gaia De La Picardie MX MXJ MJB CA TT CGC
Owners: Laurie Marlow, Sharon Marlow

Gaia has a kind and gentle soul but is always ready to protect those she loves. She passed her sweet temperament to her offspring, 4 out of 6 whom are CH or GCH. At 11 1/2 she still smiles with enthusiasm at the prospect of a walk or playtime and lives and plays in perfect harmony with 2 of her daughters and several Dachshunds! Gaia is the first female Picard to compete at the Master level in agility and has attended the Agility Invitational in Orlando 3 times. She hopes to add titles in Herding, Farm Dog and Trick Dog to her list this weekend.

Gypsey - CH Chaos Wandering Gypsey
Owner: Denise Dean, Lisa Ethridge

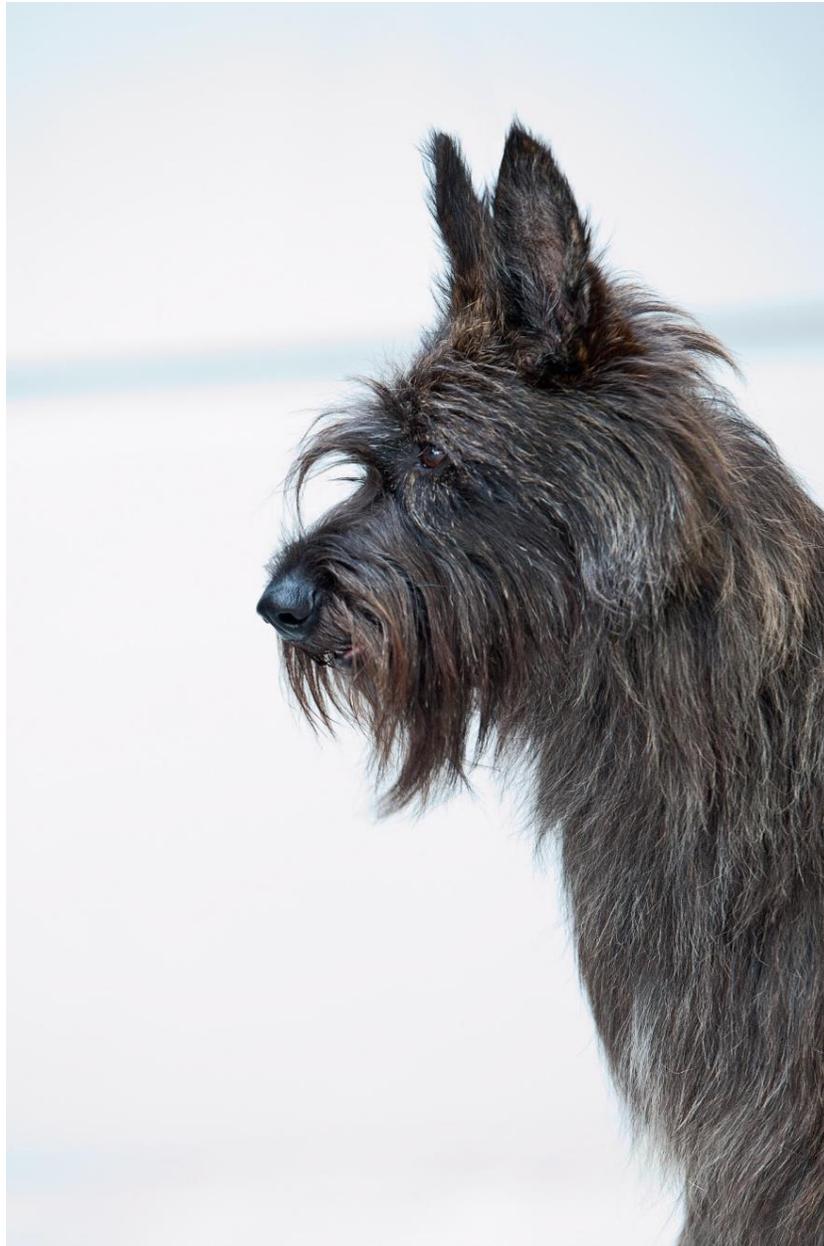

Gypsey is a wonderful, happy, healthy girl. She entered my life as an adult and has been a joy ever since. I have been lucky to have several nice litters from her and several Champion Offspring. I was able to get her championship and now she is a wonderful part of my family. What a great introduction to Picards. Hopefully she will be around for many years to come.

Her-me - GCH Hermes des Mandarines Bleves CGC ATTS
Owner: Marlene Davy

Her-me {Hermes des Mandarines Bleues} is a French import from Catherine Pautot. He is a super sweet and friendly guy whose show career was cut short when he had a disagreement with our camel shattering his elbow. He is a Grand Champion and has sired over 30 pups, several attaining their championships. Currently Her-me is happy chasing squirrels and going to stores begging for treats with his sad puppy dog eyes!

Isla - GCHS CH - Blue Anker Double D's Imagine That @ Ides of March PT CAX
BCAT SWA TT RATO DN CGC TKN
Owner: Jennifer Cannon

“Beauty and brains” describe Isla (Pronounced “eye-la”) to a T. She was a Top 5 (Breed and All-Breed) Picard during her conformation years and received an Award of Merit at Westminster Kennel Club in 2018. Outside of the show ring, she has achieved titles in Herding, Coursing Ability, Fast CAT, Scent work, Temperament Test (ATTTS), Barn Hunt, Dock Diving, Canine Good Citizen, and Tricks. Still going strong at 9 years old, she continues to demonstrate the work ethic and drive that define a correct Berger Picard and looks fabulous while doing it.

Maude - GCH, CH, Lambda Laugh Out Loud RE AX AXJ, CAA, ACT2, TT,
CGCA, CGCU

Owners: Laurie Marlow, Sharon Marlow

Maude is a sweet, silly, perpetually happy girl who loves to make me laugh! Always ready for adventure or a game of tug, she lives and plays in perfect harmony with her mother, sister and several Dachshunds. Whether it's Conformation, Agility or Obedience, Maude is always willing but sometimes her silliness gets the best of her! She hopes to add titles in Herding, Farm Dog and Trick Dog to her list this weekend.

Jasmine - GCH CH Jasmine de la Vie en Rose
Owners: Diane Cocos

Jasmine and Valerie Black are the two main reasons I fell in LOVE with the Berger Picard! She is my first Picard and was "pick of the litter". Taking her to training classes conducted by Waukesha Kennel Club was really the second beginning of my dog show career! With the encouragement of everyone in the classes I started showing in UKC shows-winning Best in Show at the first UKC show entered! I was hooked! We made the journey through Miscellaneous with Jasmine winning some Bests in Miscellaneous. Once the breed received AKC recognition, Jasmine became a Champion and Grand Champion by age 2. She won Select Bitch at 2016 Berger Picard National and several Herding group placements including firsts - handled skillfully by Jeri El Dissi. Jasmine also won several Owner handler Group placements. Her show career was unfortunately cut short at age 3 due to pyometra. Jasmine remains the Queen in our home. She is my heart dog and I am forever blessed to be owned by her!

Jackson - CH Sketchbook It's 5 O'Clock Somewhere CM
Owners: Marcus Marcy Grauerholz

Jackson is our first Picard. He is a gentle soul with a mischievous streak. He loves to hop into our bed for a nap but only after he takes his nose and turns down all the covers! He's an AKC champion as well as a champion in several other registries. Jackson is retired from the show ring, and his current role is mentor, coach, and support for our younger Picards. And you can find him on weekends at local wineries and distilleries, the perfect Berger Picard breed ambassador in the Kansas City area.

Sparky - Sketchbook High Voltage CD BN RE BCAT HSAs FDC CGCA CGCU
TKN

Owners: Michael Vanek, Liz Hansen

Sparky joined our family at six months old. Upon arrival, he started attending a local private academy to get some 'schooling.' During his younger years, he competed in several sports in the AKC, UKC, and ASCA. He is proud to point out that he has some serious alphabet soup in front of and behind his name. Once he retired from dog sports, he was bored and turned to the corporate world. When he is not gallivanting around the Midwest smiling for the cameras as a male model, he makes appearances at Three Dog Bakery working as part of the Product Innovation Team bringing joy to dogs worldwide.

Zest - Chaos Hardwired to Thrill MACH4 PACH CM UDX OM2 GN GO MXB2
MJB2 MXP3 MXPB MJP3 MJPB PAX MFB TQX MFP TQXP T2B
Owners: Jill Sporer, Many Pilgrim

I think Zest has been the easiest dog I've ever had. Michelle Fitzgerald was so surprised, many years ago, to hear me say he was the easiest puppy I'd ever raised. There were of course some challenges but they were few. He is biddable and willing to do whatever. He has lived up to his name! He is the 1st and only Picard to earn an AKC Utility Dog title, followed by a UDX, OM2, and OTCH pointed. He also has a UKC UD. He also had a very successful agility career earning a MACH4, PACH, TQX, and TQXP. He is now retired from competition, but still comes out to play. The Best Brindle Boy Ever!

Title Holders

Picards are known to be versatile, well rounded working dogs. This work has looked very different over the years. Historically It has been working one on one with Shepherds to protect flocks of sheep by being living fences. During war time it has been smuggling goods out of war torn areas. Today it looks like being members of families and participating in dog sports.

In order to qualify for the Parade of Title Holders each Picard must hold a title in a minimum of 4 different title able areas.

Ally - GCHB, CH, Lambda Let's Stay Together FDC CAX TT CGC TKI
Owners: Shari Fischer

Ally is always up for anything new. She loves to show in conformation, she had fun earning her farm dog and trick dog titles, and while she was earning her CGC she made the judge laugh because she was catching flies while she waited for me to return after the 3 minute time frame. Her favorite thing to do is lure coursing and she is quite a maniac on the course. Ally is currently working on her BCAT title and is half-way there. We hope to add a herding title soon too!

Fern - GCH CH Double D's Fields of Fern CM BN RE CAX2 BCAT ACT1 SCN

Gatsby - Allstars Leonardo DiCaprio FDC SCN SIN TT THDN CGCA TKI
Owners: Lexandra Creitz

Allstars Leonardo DiCaprio AKA Gatsby demonstrates that the Picard is an all-around farm and performance dog. Gatsby is an excellent swimmer and can swim faster than his human mom. In addition to his titles, he loves to herd the neighborhood ducks and we practice agility and rally. He recently added 2 scent work titles (container and interior) to his long list of titles. We are most proud of this THDN title – therapy dog novice. Thank you, Betsy Richards, for trusting us with Gatsby.

Isla - GCHS CH Blue Anker Double D's Imagine That @ Ides of March PT CAX

Owners: Jennifer Cannon

“Beauty and brains” describe Isla (Pronounced “eye-la”) to a T. Nettie - CH Nonet Rose Ballad Of Xanadu's Aria FDC CGC TKN
Owners: Judith Hoover-Thompson, Philip Thomson

Nettie, my sweet and sensitive, quiet, thinking, athletic Berger Picard. She does not enjoy the show ring she would rather be at home protecting her domain or engaging in some sport as long as it's with me. She is the mother of Halo the young adolescent female Berger Picard that is setting records and helping to write the conformation record book in United Kingdom. One of the things I appreciate most about Nettie is her rock solid temperament. It was requested that we train her as a therapy dog for seniors. Hopefully at some point we will find time to be able to fulfill that request. She continues the breeder's history versatility and dependability.

Peanut - CH Sketchbook Mr Peanut BCAT SCN RATCH CGCA TKN
Owners: Daniel Wright, Emily Wright

Peanut was our introduction to the breed of Berger Picards and we couldn't have had a better introduction. He was our little guy with a big heart and he still is. He loves everyone he meets and is an amazing ambassador for the breed. He has held records in Barn Hunt and introduced people to what Picards could be like all over the Midwest. He even has a bit of a fan club. Peanut now works exclusively with his poppa and loves every moment of it. He loves teaching him all the different aspects of how to train and work with dogs but even more so with Picards. They actively work in Barn Hunt, Scent work and Fast CAT but also dabble in Rally and other sports to keep the bond alive.

Penny - CH Flywire Plenty of Luck BCAT TKI ATT VHMP
Owners: Michele Fitzgerald

Penny is a 4th generation puppy from our breeding that was born right as the COVID pandemic got underway. That didn't stop her though! We did lots of home training and then took it on the road! She finished with several BOB over specials from the bred by exhibitor class, as well as explored many other sports from Barn Hunt to Fast Cat. Currently training in agility, we have been having a blast playing in ALL the things! She's a fantastic partner who loves to learn and makes everything we do together FUN! Penny has just gifted us with our 5th generation of Picards, but is most happy getting back to being the special Princess and looking forward to upcoming classes and events.

Peter - CH Pierre de la Vie en Rose FDC CGC DJ TT TKN
Owners: Celestia Lensky, Valerie Black

Peter Peter Pumpkin Eater - A true all around multi talented working dog and a much beloved and devoted family member. At just over 3 yrs old, Peter is an accomplished sheep herding Picard! Along with his IT Peter has six titles in six different categories. Peter was the #3 Owner handled Picard in the country with just six months of showing in 2021. Peter also has all his up-to-date health clearances. Peter's first litter of puppies at just having turned one year, are already well on their way to their US National Championships with his daughter overseas having already accomplished her first of hopefully many International Championships. Peter Peter, is just getting started!

Petra - Roserock's Petraoriana Des Montagnes DCAT SWN SIA SEA SHDN TKE
VHM
Owners: Cindy Scarpa

Petra has an amazing work ethic. She currently has 1 major, 17 AKC titles with 7 more partially completed. She enjoys Conformation, Fast CAT, and earning her Trick Titles. Her real passion is Scent Work.

Pixel - Sketchbook Picture Perfect RI NAP NJP DCAT CGC TKN
Owners: Michael Vanek, Nicki Dobson

Pixel is lovingly referred to as the blonde demon, and she is the Karen of our family. Not only does she have an opinion on everything, but she also has a comment about everything and LOVES to share them. She is a dedicated working dog that lives for her daddy with whom she has an excellent working relationship. Once she learns the parameters of her job, she gives 1000%, whether that is agility, herding, obedience, Fast CAT, rally, etc. When people see her work for him and get all silly after a great performance, they often say what an angel she is. And our response is, "Lucifer was an angel, too."

Roger - CH Sketchbook Over And Out DCAT SWN SCA SIA SBA RATM
Owners: Emily Wright, Jennifer Kimberlin

Roger was the first litter of Picards that I whelped and had my heart from the moment he was born. He has always been an observer and protector of the family. Once he deems you one of his, you are his friend for life. He is always up for anything I ask of him and wants to do anything I ask of him - even if he would rather do something else. We have come so far together and our journey has so far more to go. There are many things to admire about Roger but his give it all heart is the thing that I love the most. He competes regularly in Barn Hunt, Scent work, Fast Cat and is the demo dog for home manners classes but his favorite job is being the protector and big brother for a pride of little lion Lowchens.

Smudge - GCH CH WBA's To The Max CGC RATN FDC BCAT ATTS
Owners: Marlene Davy

Smudge {WBA's To The Max} is offspring from our dogs Her-me and Hope and is the sweetest calmest guy around. He is an AKC Grand Champion with titles in Barn Hunt and Fast Cat and CGC and FDC certifications. Currently he is doing scent work and loves doing perimeter parole every morning around our 10 acres. Smudge has sired several litters with some of those pups doing great in the show ring.

Stella - CH Beauvol's Chocolat Stella BCAT DJ CGC TKN
Owners: Kami Lanigan, Lisa Naert

When I got Stella, I was determined to learn all about this dog show world that I had only watched on TV. Stella graciously pranced around the show ring, until we obtained our championship. We met so many wonderful people & dogs along the way. I quickly knew where Stella's heart was when we started obtaining those titles after her name. She gets so excited heading to fast cat, or dock diving or herding - I can hardly hold her until it's her turn. She also barks non-stop through the entire event! But, her true love is family & helping on our hobby farm. She loves having a job. She protects and watches over our free roaming chickens. She alerts us to danger, brush fires, intruders, and tends our home. She loves riding in the UTV and will wait for hours in her seat until her turn to ride. She swims in our creeks and is a Frisbee and tennis ball freak. She lays beside me while I work from home and when the grandkids come over she kisses them clean! Stella was just the addition we needed to our family.
